

QUERQUS

**SEBINO IGT MERLOT
QUERQUS - RED WINE**

**I.G.T.
PRODUCTION ZONE**

Franciacorta (Brescia), from proprietary vineyards located in Monticelli Brusati.

BLEND

100 % Merlot.

YIELD PER HECTARE

60/80 Quintals / Ha.

PLANTING DENSITY

4.000 vines per hectare, trained to the spurred cordon system.

VINEYARD MANAGEMENT

Sown ground cover with organic fertilization every 3-4 years. Biological pest control.

TERRAIN CHARACTERISTICS

Hillsides and hill bases with south-easterly exposures. Thick clayey loams with good natural mineral contents.

HARVEST

In the fall; the pickers work through the vineyards several times, picking the grapes only when they have reached perfect ripeness.

VINIFICATION

Destemming and pressing in steel tanks. Fermentation followed by a very long period of maceration on the skins.

AGING

In barriques for 18 months followed by bottling and at least 18 months of bottle aging.

AVAILABLE

In 0.75 l bottles.

BEST DRUNK

A long and positive evolution is guaranteed starting from release on the market.

Therefore, this is a very long-lived wine.

TASTING NOTES AND FOOD-WINE PAIRING

Complex, ample and enveloping bouquet. Rich and full on the palate, with ripe berry fruit and jam, enriched by toasted spicy accents and a long pleasant finish. Excellent with richly flavoured game, braised meats and grilled meats.
